

Location plan - How to get there

Coming from Faro airport follow the expressway, then on the RN 2 directing north toward S. Bras, until you arrive at the interchange onto the highway (A22).

Follow the highway toward Spain / Vila Real de Santo Antonio until you arrive at the slip road to Tavira. Continue toward Tavira until the roundabout on the main road RN 125, still on the outskirts of Tavira.

Turn into the RN 125 and continue following the signage to V. Real / España.

Photo 1

After about 1 km you will cross the river Rio Sequa. Shortly after that you have to turn left and follow the signposting to Cachopo. The road follows the Rio Sequa for about 2.7 km. Soon you arrive at an intersection with a sharp left turn and a branch-off to the right.

Please turn right following the signs to Ermida N. Senhora de Saúde (brown sign)/ Estação de Transferencia / Animalar.

Photo 2

After 600 m you arrive at a small branch-off to the left, going down, marked by a (faded) 10t sign (see also photo 2 on the left). Please turn left, the road is now becoming rather narrow.

Follow the road for another 200 m. You arrive at a junction where you can only turn left or right.

Please turn right and continue. After 200 m, beyond an intersection, the road is no longer asphaltic.

On your left handside you will see a flamboyant yellow house. Continue straight ahead on the gravel path which is aligned with agave plants.

After 300 m you arrive at the entrance gate to Quintinha Loendros. "Quintinha Loendros" can be read on the border of the standpost.
